RE: Circuit City Stores, Inc., et al., #08-35653 (KRH) E.D.Va.
Claim of Heritage Plaza, #10921

Gentlemen:

I am the attorney for Heritage Plaza, lessor of Store #3403 of Circuit City. I have received your Notice of Debtors' Forty-Second Omnibus Objection to Claims. From my reading of the Notice, and Objection itself, it appears that the "Objection" is being filed solely to clarify that claim no. 9364 for \$421,474.20 (filed on January 29, 2009 as a lease "rejection" claim under section 506(b)(6)) is to be **denied** as having been *superseded* by the filing of claim no. 10921 for \$732,828.38 (filed on February 10, 2009 also as a lease "rejection" claim under section 506(b)(6)). Given that claim no. 10921 was in fact intended (and marked) as an *amended* claim, my client would have no opposition to your objection to claim no. 9364, and in fact agrees with same. I also am unaware of any objection, at this time, to the allowance of claim no. 10921.

Unless I hear from you to the contrary, I will assume that my interpretation is correct and take no further action at this time to oppose your objection or file any further response. Thank you for your attention.

Very truly yours,

A handwritten signature in black ink, appearing to be "Stuart J. Radloff", with a long horizontal line extending to the right.
